

NEW PRODUCT REQUEST

Dear Manager

Please consider stocking the new Ockery range of frozen Fish Cakes as I would like to be able to purchase them from your store.

Ockery is a great new brand that offers Free From products that all the family can enjoy. All their fish cakes are sustainably sourced, Made in Britain and licensed to carry Coeliac UK's Crossed Grain Symbol.

Ockery Fish Cakes are available in Cod, Salmon, Smoked Haddock and Crab varieties and come in a range of sizes. I hope you will agree they'd be an excellent addition to your store.
